Flat size : 393x210mm

Finished size : 99x210mm

Bleed : 397x214mm (2mm on each side of trim line)

Safe Area : 389x206mm (internal bleed)

Scoring Line

Trim

This line is where we aim to cut (actual cutting line).

Bleed

2mm bleed is required for the printing process.
Please make sure background needs to extend into the bleed area, the bleed ensures unprinted white edges after trimming.

Safe Area

Please make sure all important information and graphics are contained in this box otherwise you risk losing it.
